Dear Families,

Welcome to 2017! Here we are approaching another new year with anticipation and probably a long list of new year's resolutions! We are going to eat better, lose weight, be kinder, blow off the dust from the exercise machines we are using to hang our laundry and many other ideas that will make us better and more perfect!

We don't need to be perfect or anywhere near it. Just be ourselves and love those around us. I make a resolution to love more, love easier and be kinder to myself and those around me.

St. Anne's is making efforts at communication. We have heard you and are moving forward with two new things. Number one is a new phone system. Thanks to our parish and to CSCOE (Catholic School Center of Excellence) for paying for one year of use or one third of the cost we are moving forward with a new phone system. Look for the new system in the next month or by the end of January.

We are capping class sizes at 20 so it will be critical next year's grades Pre-K, Kindergarten, One, Two and Five that you use our current family registration window of January 30th- February 10th these dates are tentative. More information to come so watch the newsletter!

The other initiative is a new student information system Sycamore. You will each receive your own log in information. You will be able to reregister for next year online. You will even be able to check past newsletters, notices or anything the school sends out. Eventually we will use the new system for hot lunch and you will be able to pay for fees etc. online. We will also be using a tuition system called SMART for tuition and for financial aid applications. Anyone that needs assistance will be able to apply through SMART for a small fee. Information is confidential and only I will know the information which I will share with Fr. Andrew.

Thank you for your support of St. Anne's. We look forward to serving you in better ways each day!

Peace in 2017!

Diane Lee

St. Anne's school staff received \$10,000 from CSCOE (Catholic School Center for Excellence) to reward our Teachers, assist with retaining them and assist us with recruiting new teachers. We will send Mr. Mike May to the GOOGLE conference in California in the spring, 2 of our teachers will go to the National Catholic Education Association convention in St. Louis in April, our staff will go together to see Grease at the Chanhassen Dinner Theatre and we will do a team building day at Eagle Bluff.

Congratulations to our teachers who work so hard to make St. Anne's a great School!
