St. Anne's School Student/Parent Handbook

Introduction

Mission Statement

St. Anne's Catholic School promotes a nurturing and academically challenging environment for each student. St. Anne's strives to prepare children to live a Christ-centered life as respectful and responsible citizens of our school, our church, and our community.

Philosophy

- We believe that a nurturing environment consists of a faith-filled community that shows respect and compassion for themselves and others.
- We acknowledge the uniqueness of each child making them feel safe spiritually, academically, socially and physically.
- We celebrate and model the teachings of Christ to create life-long learning.
- Christ is our foundation.

School Accreditation

The Minnesota Non-public School Accrediting Association (MNSAA) accredits St. Anne's and annual reports are submitted to this agency to meet Association standards. St. Anne's School has an on sight visit every seven years. Each year the school updates its School Improvement Plan and reports progress to MNSAA. The school will report to parents in the state of the school once per year but periodically report progress throughout the year via the newsletter.

School History

St. Anne's School was started in September of 1882. The dreams and labors of Father Wurst, the first pastor at St. Anne's, became a reality with approximately twenty-five families who were determined to give their children a Catholic education. The School Sisters of Notre Dame started the school. In 1902 the Sisters of St. Joseph took over the direction of St. Annes School. There were two instances where the future of the school was in doubt. Once was in 1955 and one in 1971. A fund drive was done in 1955 and over \$100,000 was pledged. In 1957 a new St. Anne's School building was opened to 271 students in grades one through eight. In 1971 the parish voted to keep the school open but reduce the number of grades from one through four. In conceding years a 5th grade was added and then a 6th grade. Enrollment was 136 students. And later the 6th grade was dropped.

A preschool was added and this assisted in growth at St. Anne's. Currently we have 33 preschoolers and 94 students K-5. St. Anne's continues to remain a viable part of St. Anne's Parish and the community of Le Sueur.

School Procedures

Parental Roles and Responsibilities

Parents/guardians are informed of the programs, regulations, and policies of the school. (This document, the Parent/Student Handbook, includes this information.) In assisting your child, we require the following:

1. Familiarity with information contained in handbooks and other newsletters from the school.
2. Inform the school in writing (paper note or email) or by phone of:
 - a. Student illness or absence
 - b. Parental status and custodial constraints
 - c. Change in transportation routine
 - d. Change in address, phone, emergency contact, childcare, etc.
 - e. Arrangement that might affect communication with the school
3. Meet financial obligation of tuition, fees, lunch accounts or other accounts that apply.
4. Comply with:
 - a. Policies and regulations
 - b. Goals and objectives of the Catholic schools as identified in this parent/student handbook
5. No student may leave the premises at any time for any purpose without a written request from the custodial parent/guardian and approval of the principal.

Contacting the School

The school's telephone number is 507-665-2489. Office hours are 7:30 A.M. - 3:30 P.M. Voicemail may be activated periodically during the school day, after school hours or during faculty meetings. Email contact is also encouraged and staff checks their emails throughout the day.

Attendance (Archdiocesan Policy #5210)

It is St. Anne's policy that it will adhere to all State of Minnesota regulations concerning school attendance. All work missed by students who were absent must be made up as soon as possible after returning to school. Excessive absences often result in poor schoolwork. When an absence is necessary these steps are to be followed:

1. Parent/guardian will call the school between 7:15 and 8:00 A.M. each morning of a student's absence. If the student attends Park for other services, the parent is responsible for notifying them also.
2. Parents/guardians will write an excuse giving name, date, day(s) of absence and reason for absence, which will be given to the office upon return.

3. Student will make immediate plans to do all make-up work due to absence upon return to school.
4. All homework should be requested in the morning before classes begin.
5. If absence is due to work, travel, or some other reason, parent/guardian should notify the school prior to the absence. Work may not be issued ahead of time for students who anticipate being out of school. This will need to be made up upon the student's return.

Minnesota truancy law states that any elementary school child missing three full days without a valid excuse is considered "continually" truant.

A "**habitual**" truant means a child under the age of 16 years who is absent from attendance at school without lawful excuse for seven school days if the child is in elementary school, for one or more class periods on seven school days if the child is in middle school or high school. The names of truant children must be referred to the designated public school official.

Children arriving late must report to the school office. Excessive tardiness (More than three times per month) will result in parent/guardian being called and the student must make up the time missed.

Illness During the School Day

The principal or the school secretary dismisses or approves the dismissal of a student who becomes ill or hurt during the school day. Parents/guardians are notified when the illness is reported. If they are unable to come for the student, they must make arrangements for a relative or other authorized person to pick up the student in the school office. No student will be sent home due to illness if no one is at home to be with the student.

Tardiness: Students who arrive in the classroom after the 8:10 A.M. bell are considered tardy. Continued tardiness will warrant a call by the principal to the parents/guardians.

School Closing (emergency or inclement weather)

In case of emergency or severe weather, please listen to WCCO (Channel 4), KSTP (Channel 5), KARE (Channel 11) and KRBI radio (1310 AM, 105.5 FM) and WCCO radio (830 AM) for school closings. St. Anne's School follows the schedule of Le Sueur-Henderson School District. If Le Sueur-Henderson Schools are closed due to inclement weather, St. Anne's will also be closed. St. Anne's will also update the Facebook page indicating school closings and send out an email/text message to parents. You can make arrangements to be notified via text message for school closing information.

There are times that students will be dismissed early due to deteriorating weather conditions. Discuss your emergency prearranged plans with your child and inform the school office if there are changes in your emergency plan. It is imperative that the staff of St. Anne's School know where your child should go in the event of early dismissal.

Arrival/Dismissal Procedures

There is no playground supervision before school in the morning; therefore, students should not arrive before 7:50 A.M. Students are expected to enter the building when the first bell rings at 8:01 A.M. During inclement weather students are permitted in the building earlier than 8:00 A.M. Classes begin at 8:10 A.M.

Students are dismissed at 3:10 P.M. All students are expected to go directly home since the school grounds are not supervised. No student should be in the school building after 3:15 P.M. without the permission of a teacher, or principal. Parents will need to come to the office to pick up their child if they have not picked them up when buses leave, for safety reasons students will not be allowed to wait outside by themselves. Please pick up your children promptly at 3:10.

Bicycles

Children are allowed to ride bicycles to school. Racks are provided for parking them, but the school does not accept responsibility for the bicycles.

Those who ride bicycles to school should observe the following rules.

1. All bicycles are to be parked in the bicycle racks.
2. No one should ride another person's bicycle.
3. Bicycles should be locked.
4. No one should be given a ride on a bicycle.
5. All traffic rules should be obeyed.
6. Bicycles are to be walked on the sidewalks.
7. Bicycles are not to be ridden during recess and lunch hours.
8. We discourage riding bicycles during inclement weather.

Rollerblades, skateboards, or other types of boards are not allowed

Visitors

All parents/guardians/visitors/volunteers must sign in at the office before going to a classroom. Parents/guardians and visitors are welcome for open houses, special programs, or observations, and are encouraged to attend. Visitors who wish to observe classrooms are asked to make an appointment with the appropriate teacher and check in at the school office before going to the classroom. Visitors should enter the south entrance of the school building during school hours.

Telephone Usage

A child may not call home to make arrangements to go home with a friend, to have a parent/guardian bring forgotten piano books, books, assignments, etc. without the permission of teacher/principal/staff member.

Valuables

School insurance does not cover loss of personal possessions; therefore, students are to refrain from bringing cell phones, iPods, laptops, cameras, electronic toys, etc. to school. These items may not be allowed for usage during the school day unless otherwise cleared with the student's teacher or principal.

Money

When money is sent to school, it should be placed in an envelope and labeled with the student's name, grade, and the purpose for the money.

Lost and Found

Lost items will be kept on the shelf and hooks outside of the library. Encourage students to check for lost items in the Lost and Found area when something is missing. Please write your name or initials on clothing tags for easy identification.

Invitations

Invitations to parties – it is preferred that these are taken care of from home. Invitations that are passed out at school need to be cleared with the teacher/principal before student/parent passes them out. Hurt feelings may happen if invitations are only given to certain students.

Treats

For the health and safety of our students and staff it is recommended that all treats and snacks be store bought and individually wrapped.

School Supplies

Parents/guardians will provide school supplies for their child(ren). A list of needed supplies will be provided for each year. Notes will be sent home when supplies need to be replenished.

Lice

If it is determined by the discretion of school personnel that a student has live lice the following will be the procedure used:

- #1. Call parent for the child to be picked up.
- #2. Parent is instructed to buy the lice shampoo, treat the student with appropriate shampoo at home, and given instructions for home cleaning.
- #3. Student will be admitted back to school 24 hours after the initial treatment but will be checked periodically to ensure that the infestation has been taken care of.
- #4. Notes will be sent home to classmates' homes asking their parent to check their heads regularly.

Promotion/Retention

Promotion/retention will be based on academic achievement and physical, emotional, psychological and developmental maturity. In the case of retention, parents/guardians will be notified of their child's situation as soon as possible. If a recommendation is made to retain a child and parents/guardians reject it, the parents/guardians are asked to sign a written acknowledgment of the school's recommendation. That acknowledgement shall serve to release the school from any responsibility for failure to follow the school's recommendation.

Achievement Testing

Students in grades K-5 will participate in the NWEA/MAP testing. Students will be tested twice a year. Individual results will be given to parents as soon as possible. There may be circumstances where students are NOT tested due to academic circumstances. Teachers will inform parents if their child is not tested.

Communication with Parents/Guardians

The school has established ways of communicating with the parents/guardians of its students in order to increase the understanding of the school's mission, programs, and goals in general. The following means of communication are used to share information with parents/guardians concerning the functions of the school and progress of their child(ren).

Student/Parent Handbook

The Student/Parent Handbook is issued at the beginning of the school year.

Report Cards

Report Cards/Progress Reports are issued at the end of each trimester in grades K-5. Reports are sent at mid-term of each trimester to parents/guardians whose child(ren) is/are in grades three, four, and five.

Parent/Child Teacher Conferences

Parent/Child/Teacher Conferences are scheduled two times during the school year. A parent/guardian and/or teacher may request a special conference at any time as the need arises.

Communication Procedure

To help with the lines of communication between teachers and parents/guardians, the following actions should be taken.

- A. If the parent/guardian has a concern about what is happening in the classroom, please make an appointment with the teacher.
- B. If you have met with the teacher and are not satisfied, then make an appointment with the principal. At that time, a meeting with the teacher, student, principal, parents/guardian may be called.
- C. If you are still not satisfied with the results of the meeting with the principal, make an appointment with the pastor.
- D. If still not satisfied, a written statement may be filed with the Grievance Committee of the School Advisory Board, who will decide whether to pursue the concern. **Refer to the Grievance Policy of this handbook.**

School Records

Parents/guardians may ask to review the contents of records or data on their child. "Records or data" is defined by any or all of the following.

1. Identifying data
2. Academic work completed
3. Level of achievement (grades, standardized achievement, test scores)
4. Attendance data
5. Scores on standardized testing
6. Health data (separate records kept in health file)
7. Family information

Religious Education

The formal study of the Catholic religion, as well as curriculum which reflects Catholic values and tradition, are integral parts of our total education. It is St. Anne's School policy that all students, including non-Catholics, attend religious instruction and liturgies.

Classes at St. Anne's School take turns preparing the liturgy for the weekly school Mass, usually scheduled for Tuesday mornings.

Parents/guardians are invited to attend this school Mass whenever their schedules permit. On holy days of obligation, the students attend Mass on the holy day in lieu of Tuesdays.

The Sacraments of Reconciliation and Eucharist are celebrated for the first time in second grade. Parents are invited to become involved in their child's preparation by attending meetings and assisting with studying material at home.

The Stations of the Cross is a traditional Friday event during Lent.

Playground Supervision

Students are supervised by teachers during morning and any afternoon recess times. Teachers, with the aid of parents, help supervise students during the morning recess. Parents are asked to either volunteer for five times or more recess times or give a donation of \$50. Supervision times or donation payments are coordinated with the school secretary.

Services

School Lunch and Milk Program

The school lunch and milk program is provided at St. Anne's School by the State's matching funds to the school's established price.

St. Anne's Hot Lunch Policy

Lunch at school is part of the total learning situation and as such, good conduct is to be expected. Table manners and other lunchroom conduct is discussed as a regular part of respecting others and health studies, etc.

Lunch statements with balances due will be sent out the 2nd Thursday of the month and payment is due the 25th of each month.

Application forms for reduced or free lunches are sent home prior to the beginning of school in August and are also available upon request from the school office.

If your child needs lactose-reduced milk or has any other dietary needs, please contact the office and we will supply you with the form that needs to be completed.

“In accordance with Federal law and U.S. Department of Agriculture policy, this institution is prohibited from discriminating on the basis of race, color, national origin, sex, age, or disability. Title I

The purpose of Title I is to provide assistance to state and local education agencies to meet the needs of children in the areas of math and reading. Working with the classroom teacher and the Title I contact person from Park Elementary School, students are scheduled for Title I services. Transportation for Title I is provided to students at no cost to the family.

Special Education

The special needs of students in St. Anne’s School are addressed through the public school district in three ways:

1. Classroom teachers see the needs of their students and consult with the St. Anne’s Principal. Interventions may be suggested to meet the needs of the students. The needs may be in the areas of academics, behavior, health, or motor skills.
2. If the interventions are not successful, the student may be referred for assessment by either the school or parent/guardian. If the assessment is initiated by the school, written parent/guardian permission will be required. Once the assessment is complete a meeting is set up to report on the results and possibly develop an Individual Education Plan (IEP).
3. The IEP may be written with the goals to help improve the areas of need. The services may be direct or indirect. Indirect service is done at St. Anne’s. Direct service is done off site and transportation is provided by the public school.

School Pictures

Individual and classroom pictures are taken each year. Notification of this will be given well in advance of the photography session(s).

Yearbook

The school publishes a yearbook each school year. Individual or classroom pictures are featured in the yearbook, as well as other photographs portraying the many activities and

events that take place. Notification regarding the cost and time when the yearbook is available is sent to the parents/guardians.

Field Trips Archdiocesan Guideline #6630, Form A)

Field trips are part of the educational program. These trips are designed to support the curriculum and introduce the students to community resources. Students are expected to participate in field trips and parent/guardian will be notified of the scheduled field trips.

Insurance regulations of the Archdiocese require the use of the parent/guardian authorization form EACH TIME the students participate in a field trip. Failure to return the form means that the student may not go on the field trip and must stay at school. **PHONE CALLS TO OR FROM PARENT/GUARDIAN DO NOT FULFILL AUTHORIZATION REQUIREMENTS FOR PARTICIPATION.**

Whenever possible, field trip participants travel by bus. Should it be necessary to use transportation provided by parents in private vehicles, parent/guardian will be notified. All private vehicles used to transport students must have documented current registration, proof of insurance, a background check and Virtus training.

All student-sponsored field trips should have an educational purpose and outcome. Any student misbehaving will be isolated and chaperoned by an adult for remainder of field trip and discipline policy will be enforced.

Some field trips are walking trips where teachers and parents take students to the local community resources such as the fire house, the library and the community center. We will notify parents if the field trip is a walking trip.

Guest Speakers/Assemblies

Throughout the year, assemblies are held with invited resource guests to enhance the students' learning opportunities. Guest speakers invited and topics discussed should be consistent with the mission, philosophy, and objectives of the school. Speakers/assemblies need to be cleared through the principal. If parents have suggestions for speakers or assemblies they should make suggestions to the principal.

Homework (Archdiocesan Guideline #6540)

Homework refers to tasks that the student is assigned to do on his/her own time after school hours. Homework assignments serve as a means of providing a bond of common effort between parent/guardian, child, and teacher. In order for homework to be effective, each participant—teacher, student, and parent/guardian—must understand and be committed to carrying out his/her responsibility. If any of the three (parent/guardian, teacher, student) do not fulfill their responsibilities, then the positive effects of homework will be reduced and may cause a negative impact on the student's learning.

Homework Responsibilities of Teachers

1. Communicate to students and parents/guardian's homework goals and expectations.

2. Set clear and concise expectations concerning assigning, returning, and evaluating homework.
3. Assign appropriate homework according to students' needs.

Homework Responsibilities of Students

1. Know and understand the purpose of the homework assignment.
2. Responsible for copying assignments into assignment notebook, understanding directions and knowing what is required for completion of the assignment.
3. Responsible for completing and returning assignments.
4. Understand when some assignments are to be completed independently, others as a team effort.
5. Complete assignments neatly and do quality work.

Homework Responsibilities of Parents/Guardian

1. Maintain a positive attitude towards learning and the value of homework.
2. Be aware of the homework policy and individual teacher requirements.
3. Help your child find a study area that is quiet and relatively free of distractions.
4. Be patient with your child and praise him/her for any effort made.
5. If the child has trouble understanding directions, help her/him with explanations. **Do Not Do the Homework for The Child.**
6. Look over the assignment to affirm completion and quality. Praise your child.
7. Support the teacher and the child. Get both sides of story before making a judgment.

Make-Up Work

It is the student's obligation to obtain and complete work missed during an absence; if homework is to be picked up, please inform teachers in the morning who will come for the homework. Teachers will have assignments ready for pick-up at 3:10 or after the regular school day. (Archdiocesan Guideline #6140)

Health/Safety

Emergency Information

An emergency sheet on each student is sent home at the beginning of each year to be filled in and signed by the parent/guardian. If changes occur during the year, it is the responsibility of the parent or guardian to notify the school in writing or by phone.

Health Records

Health records are required for each student. It is recommended that the student have a physical before entering kindergarten or first grade, and again in fourth grade. The State of Minnesota requires immunizations to be up-to-date. St. Anne's has a nurse available to assist in answering questions regarding a student's health and well-being.

Immunizations (Archdiocesan Policy #5810)

St. Anne's School follows the requirements of the Minnesota School Immunization Law, (Minnesota Statutes Section 123.70).

All immunization dates are to be submitted to the school prior to the fall start date of the school's present school year. Parent/guardian is responsible for providing this information in writing to the school office, and to include additional immunizations each year as the family's physician administers them to the student.

Medication During a School Day (Minnesota Statute 126.202)

A written statement is required of the parent/guardian who requests and authorizes the giving of medication in the dosage prescribed by the physician; thereby releasing school personnel from liability should reactions result from the medication.

Drugs or medicines must be in a container with a label prepared by a pharmacist.

Administration of the medication during school hours shall be by qualified personnel in a manner consistent with instructions on the label. Aspirin and similar over-the-counter medications should be considered the same as prescription medication.

Health Screening

Annual vision, hearing are conducted by the school nurse for all students each school year. It may not be every grade every year.

Illness/Injury During School

If a student becomes ill or injured during the school day, a phone call will be made to the parent/guardian to come and pick up the child. You are required to make arrangements for picking up your child. No student will be sent home without parent's/guardian's permission. Students should not return to school until 24 hours after fever or vomiting. Students should also be medicated for 24 hours before returning to school if diagnosed with strep throat.

Accidents

The parent's own medical insurance coverage will be primary. If your child is injured at school, you will need to contact the school office. A form should be filled out. Whatever your medical insurance does not cover may be covered by the school's insurance.

Reporting of Child Abuse/Neglect (Archdiocesan Guideline #5640, Appendix B)

The staff members of the school are legally required to follow the requirements of Minnesota law pertaining to reporting child neglect and/or abuse, which may be summarized as follows: Staff members are mandated reporters and are required to report a suspected case of child abuse/neglect to the local law enforcement agency or social service agency. This must be done if they know of or have reason to believe there is abuse or neglect. They must do a verbal report within 24 hours and a written report must be filed within 72 hours of the verbal report.

Abuse can be physical or sexual abuse, or emotional maltreatment.

Child Neglect is defined as failure to provide food, clothing, shelter or medical care, failure to protect a child from conditions or actions which endanger the child's physical or mental health or failure to take steps to ensure that the child is educated in accordance with state law or prenatal exposure to controlled substances.

All employees of Archdiocesan schools who have knowledge of or reasonable cause to believe that a student is victim of physical/sexual abuse or neglect are required to report the suspected case to the local law enforcement agency or social service agency. This must be done if they know or have reason to believe there is abuse or neglect presently or has been within the past three years.

The report should be made by telephone and in writing to the appropriate agency.

Anyone who reports child abuse or neglect in good faith is immune from any civil or criminal liability. Mandated reporters (educators, members of clergy and other professional helpers) who fail to do so may be guilty of a misdemeanor.

Procedure:

1. If an employee of the school or principal should become aware of a child's abuse/neglect, the employee or principal should report this to the local law enforcement agency or social service agency within 24 hours.
2. If an employee is accused of child abuse, the principal must report the abuse and follow the procedures as outlined by the agency contacted.
3. All reports should be maintained for three years, but should NOT be included in the student's permanent file.

Drills

The school shall conduct a minimum of: one severe weather drill, five fire drills and five safety drills (lockdowns) per year.

Fire:

1. To indicate a fire drill or fire emergency, the fire alarms will sound.
2. At the sound of the alarm all students are to exit quickly and quietly.
3. The first student to the door leads the students out of the classroom and through the hallway to the designated exit for that classroom.
4. The teacher should have a class list near the classroom door that she takes with her during a fire drill.
5. The teacher should close the door on the way out of the classroom. Exits are shown on a fire exit map located next to each classroom door. If the exit is blocked, the class shall use the closest alternate route as indicated by the teacher.
6. A designated adult will check the bathrooms for any children and closes the doors. Once all children have safely left the building, they continue to walk in

their lines until they are in their designated meeting spot. Teachers should then immediately take roll call.

7. Should someone be missing, the teacher reports it immediately to the principal or emergency personnel. Classes remain outside until notified by another staff person, or emergency personnel, that it is safe to return to the building.

Severe Weather:

In case of severe weather, students at St. Anne's are asked to go to their designated areas of safety. Basically, all persons in the building will go to the inside of the building and in the hallway.

They crouch down on the benches, covering their heads with their hands, lined up along the hall wall. Lights should be turned off, the classroom teacher should close windows and doors should be shut, with the exception of two doors. The bathroom door between the kindergarten room and the Prek room and the office bathroom door should be left ajar.

Safety/Lockdown:

When a safety announcement is made, all students go to the golden key area in whatever classroom they are in. As the students go to the designated key area the teacher is responsible for making sure the door is locked by pushing it tightly and checking it. Turning the lights out.

The lock down procedure is under review.

Crisis Plan:

If any other crisis event should occur, we should refer to the crisis plan binder located in the office. The binder will guide us step by step through each scenario. The binder was developed in conjunction with the public school, the fire department, police department and other community members.
