## VIRTUS TRAINING

A reminder that anyone helping out at the school, including working playground duty, has to have completed Virtus training. If you are a new parent, you can contact our Parish Secretary, Tess Miller at 507-665-3811.

There is Virtus information on our website, giving you instructions on getting started and completing the training.

[www.virtus.org](http://www.virtus.org)

***At this time, all of the Virtus training is online.***

## AMERICAN HEART ASSOCIATION

American  
Heart  
Association.

St. Anne's Family, I just wanted to thank you all for showing up this year in helping raise money for the American Heart Association (AHA). Given the many obstacles we have had this year I could not be more proud of what the students and community were able to accomplish and how much money we were able to raise for AHA. This year we were able to put together **\$5,042.71 and donations still coming in!** In the 13 years St. Anne's has been helping out AHA, we shattered our previous high by more than \$1,200! Again, it speaks volumes of the community and I wanted to make sure you all knew how much I appreciate it. -Mr. Harder

## SCRIP

The scrip box is now at school!

**If you have a student, you can complete an order form and send it to school in your child's backpack. The order will be filled and sent home with your child.**

For those without a student, please call the school office at 665-2489 or email Jan at [jbiehler@stanneslesueur.org](mailto:jbiehler@stanneslesueur.org).

You will need to contact Jan to establish a pick-up time to get your order.

A reminder that **EVERYONE** who purchases Scrip should complete a Scrip Agreement Form. Forms can be obtained from Jan in the office.

Click [HERE](#) to complete it online.

## KEEP THE MASKS CLEAN!

With allergy season, colds, coughs and runny noses, be sure that you are sending a clean mask to school each day with your children.

We are seeing a lot of very dirty masks at school!

# COVID-19 Information

Weekly Illness for	Total Number of Confirmed Positive COVID-19 Cases (Staff and Students)	Total Number of Presumed Positive COVID-19 Cases (Staff & Students) <i>*Had symptoms and was a close contact with someone who tested positive</i>
February 27 - March 5, 2021	0	0
March 6, 2021 - March 12, 2021	0	0

We will be using best practices and taking precautions in hopes of not spreading germs. We ask that you have your child(ren) wash their hands at home each morning before coming to school. When students arrive, they will come in and hang up their backpacks/coats before going to the bathroom to wash their hands. Students will be washing their hands throughout the day, as well as at the end of each day before leaving school.

Desks will be sanitized each morning before students arrive, and at the end of the day after students leave. We ask that they refrain from running their hands on desks, walls, shelves, etc., as well as their face, mouth, nose, or other people. Each classroom will have hand sanitizer and students will be encouraged to use it when they see fit. Chromebooks will be sanitized after each use. Staff will be sanitizing door knobs and toilet flushers throughout the day.

In the cafeteria, the tray and silverware cart has been removed and students will be given prepared trays. Condiments are no longer available for self-service and will be provided by the cooks during lunch service.

## Is Your Child Ill?

We ask that you pay close attention to how your child is feeling. **Do NOT send them to school if they are ill, not feeling well, or running a fever in the past 24 hours.** Anyone with temperatures over 100° will be required to go home.

If someone in your family/household has been tested for COVID-19, everyone should stay home until results are received. Notify the school as soon as possible.

## Face Coverings

We are required to wear a mask or face covering while in school. Please have your child(ren) use whatever they are most comfortable wearing.

Masks do get damp when wearing for long periods of time, it would be helpful to keep an extra mask at school. It is recommended that masks be laundered daily.
