VIRTUS TRAINING

A reminder that anyone helping out at the school, including working playground duty, has to have completed Virtus training. If you are a new parent, you can contact our Parish Secretary, Tess Miller at 507-665-3811.

There is Virtus information on our website, giving you instructions on getting started and completing the training.

www.virtus.org

At this time, all of the Virtus training is online.

AMERICAN HEART ASSOCIATION

St. Anne's Family, I just wanted to thank you all for showing up this year in helping raise money for the American Heart Association (AHA). Given the many obstacles we have had this year I could not be more proud of what the students and community were able to accomplish and how much money we were able to raise for AHA. This year we were able to put together **\$5,042.71 and donations are still coming in!** In the 13 years St. Anne's has been helping out AHA, we shattered our previous high by more than \$1,200! Again, it speaks volumes of the community and I wanted to make sure you all knew how much I appreciate it. -Mr. Harder

SCRIP

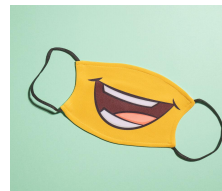

Mark your calendars for an upcoming fundraiser!

We will be partnering with **AquaShine Car Wash** to sell \$12 "The Works" car washes. Information and order forms will be sent home in family folders on March 31st.

Scrip Reminders:

1. Rebates earned on Scrip purchases May 1, 2020 – April 30, 2021 will be applied to next year's school K-5 tuition. That means you have 6 weeks left to earn for next year!
 2. If your child is not yet old enough to start Kindergarten, your rebate will be held until the year they do.
 3. If you haven't already, please be sure to complete a Scrip Agreement Form. Click [HERE](#) to complete it online.
 4. The RaiseRight app allows you to purchase Scrip 24/7! It's easy to use and be linked to either your bank account or credit card for a small fee.
- Contact StAnnesPatronsBoard@gmail.com with any questions or for the enrollment code to start an online account.

KEEP THE MASKS CLEAN!

With allergy season, colds, coughs and runny noses, be sure that you are sending a clean mask to school each day with your children.

We are seeing a lot of very dirty masks at school!

COVID-19 Information

Weekly Illness for	Total Number of Confirmed Positive COVID-19 Cases (Staff and Students)	Total Number of Presumed Positive COVID-19 Cases (Staff & Students) <i>*Had symptoms and was a close contact with someone who tested positive</i>
March 6, 2021 - March 12, 2021	0	0
March 13, 2021 - March 19, 2021	0	0

We will be using best practices and taking precautions in hopes of not spreading germs. We ask that you have your child(ren) wash their hands at home each morning before coming to school. When students arrive, they will come in and hang up their backpacks/coats before going to the bathroom to wash their hands. Students will be washing their hands throughout the day, as well as at the end of each day before leaving school.

Desks will be sanitized each morning before students arrive, and at the end of the day after students leave. We ask that they refrain from running their hands on desks, walls, shelves, etc., as well as their face, mouth, nose, or other people. Each classroom will have hand sanitizer and students will be encouraged to use it when they see fit. Chromebooks will be sanitized after each use. Staff will be sanitizing door knobs and toilet flushers throughout the day.

In the cafeteria, the tray and silverware cart has been removed and students will be given prepared trays. Condiments are no longer available for self-service and will be provided by the cooks during lunch service.

Is Your Child Ill?

We ask that you pay close attention to how your child is feeling. **Do NOT send them to school if they are ill, not feeling well, or running a fever in the past 24 hours.**

Anyone with temperatures over 100° will be required to go home.

If someone in your family/household has been tested for COVID-19, everyone should stay home until results are received. Notify the school as soon as possible.

Face Coverings

We are required to wear a mask or face covering while in school. Please have your child(ren) use whatever they are most comfortable wearing.

Masks do get damp when wearing for long periods of time, it would be helpful to keep an extra mask at school. It is recommended that masks be laundered daily.
