#### MISSION STATEMENT:

St. Anne's Catholic School promotes a nurturing and academically challenging environment for each student. St. Anne's strives to prepare children to live a Christ-centered life as respectful and responsible citizens of our school, our church, and our community.

**Teacher Appreciation Week was a huge success!**  
Each day the staff received a special treat and ended the week with a lunch from Panera.

## THANK YOU

to everyone who made it so special for our staff!

#### IMPORTANT REMINDERS:

- The student drop off and pick up route map is available [HERE](#)
- School Mass is not open to the public

# COVID-19 Information

Weekly Illness for	Total Number of Confirmed Positive COVID-19 Cases (Staff and Students)	Total Number of Presumed Positive COVID-19 Cases (Staff & Students) <i>*Had symptoms and was a close contact with someone who tested positive</i>
April 26, 2021 - April 30, 2021	0	0
May 1, 2021 - May 7, 2021	0	0

We will be using best practices and taking precautions in hopes of not spreading germs. We ask that you have your child(ren) wash their hands at home each morning before coming to school. When students arrive, they will come in and hang up their backpacks/coats before going to the bathroom to wash their hands. Students will be washing their hands throughout the day, as well as at the end of each day before leaving school.

Desks will be sanitized each morning before students arrive, and at the end of the day after students leave. We ask that they refrain from running their hands on desks, walls, shelves, etc., as well as their face, mouth, nose, or other people. Each classroom will have hand sanitizer and students will be encouraged to use it when they see fit. Chromebooks will be sanitized after each use. Staff will be sanitizing door knobs and toilet flushers throughout the day.

In the cafeteria, the tray and silverware cart has been removed and students will be given prepared trays. Condiments are no longer available for self-service and will be provided by the cooks during lunch service.

## Is Your Child ill?

We ask that you pay close attention to how your child is feeling. **Do NOT send them to school if they are ill, not feeling well, or running a fever in the past 24 hours.** Anyone with temperatures over 100° will be required to go home.

If someone in your family/household has been tested for COVID-19, everyone should stay home until results are received. Notify the school as soon as possible.

## Face Coverings

We are required to wear a mask or face covering while in school. Please have your child(ren) use whatever they are most comfortable wearing.

Masks do get damp when wearing for long periods of time, it would be helpful to keep an extra mask at school. It is recommended that masks be laundered daily.
